Library Software

has partnered with Alexandria
Library Software to bring you the best of both worlds!

- **Free Updates/Upgrades (one-time purchase philosophy)**
Unlike most library automation systems, Alexandria does NOT charge for updates and upgrades. Never be forced to purchase your system again!
- **24/7 Live Technical Support For Every Customer**
We invite ANYONE to call for help 24/7.
- **Multiple Union Catalog Options**
Not every library is the same—you have a choice between Centralized, MultiData Station, or Distributed Union systems.
- **Web-Based**
Alexandria contains web-based access for librarians and patrons. Requires no client installations, and is platform independent.
- **Customer-Centric Philosophy**
We have been listening to customer needs for over 20 years.
